Attribution of STSMs will also take in consideration gender balance.

The application will then be assessed by the STSM Coordinator against the perceived contribution that the proposed visit will make to the fulfilment of the scientific objectives outlined in the Action IS1401ELN MoU. If a ranking of the applications is required the STSM coordinator will request blind evaluations from members of the Action's Steering Group. On the basis of equal merit, applicants shall be ranked over a concern for ESR status, countries' inclusiveness and gender balance.

A template report will be made available to the grantee as soon as the STSM is awarded. The grantee is also responsible for acquiring a statement of acceptance of the scientific report by the researcher affiliated to the Host institution. The final scientific report of the STSM has to be sent to the Grant Holder (is1401eln@fpce.up.pt) and the STSM coordinator (freybi@hi.is) for archiving purposes. Failure to submit the scientific report within 30 days from the end date of the STSM will effectively cancel the grant.
